Package weight varies, but we will assemble your box so that you receive the weight specified by your subscription level. **Examples:** Boneless pork chops are two per pack and typically weigh between 6-8 oz each. Bone-in chops average 14-16 oz each. Bacon is thick-sliced, and most packs are about 1 pound. Breakfast link packs weigh about 1 pound and contain 11-12 links per pack.

How it works:

- You can purchase a meat box subscription by emailing sharon@fawncrossingfarms.com or calling us at (540)828-2288.
- We accept PayPal, Zelle, or Venmo.
- Subscriptions start upon purchase and your first box can be paid for and picked up at that time. Payment and delivery of future boxes will occur on the same date of the following month. Automatic payment for subsequent boxes is understood unless another agreement is made.
- The pick-up is on our farm in Bridgewater VA 22812 or in other locations by pre-arrangement (NoVA and RVA pick-up can be arranged).
- If you can't make it at the scheduled time or location, we can reschedule if notified in advance. If you miss an appointment for picking up off the farm with no notice, all future boxes must be picked up by the customer at the farm.

- Meats come frozen and vacuum wrapped.
- Bacon, Irish bacon, ham, ham hocks, are smoked. No artificial flavors are used in the sausage seasonings.
- You can give a subscription box as a gift! Simply provide the recipient's information when you purchase the subscription.
- Special requests? Is bacon or a particular flavor of sausage not your thing? Let us know when you order, and we will try to accommodate you as best we can.

Additional Products (When Available)

Additional farm products can be purchased separately and added to your subscription box by calling 48 hours ahead of your scheduled pickup time to see what we have available. Here are a few things we often have:

Duck and Chicken Eggs

Duck eggs are \$8.00 a dozen and chicken eggs are \$6.00 a dozen. Half dozen quantities are \$4.00 and \$3.00. You can mix and match duck/chicken eggs and we will adjust the pricing accordingly.

Fresh Garden Produce

When we have fresh garden produce, we also offer that to our members. Our garden produce is not a formal product offering, so availability depends on supply. Members should inquire 48 hours before their scheduled meat box pickup about what we have and can make separate payment for their add-on selections at that time.

Thank You for Buying Local Farm Products!

Our meat subscription boxes are curated for maximum value and include the most popular cut selections. If you have a preference that is different than the standard box offering, let us know and we will do our best to substitute. You always have the option to upsize (if product is available) or downsize if your needs change. Feel free to call or email us with questions.
